Subject: ENUM delegation of E.164 country code +386 for Slovenia

Dear Sir/Madam,

I am writing to inform you that I have received the reply from the concerned Member State for your report on non-functional ENUM delegation of E.164 country code +386 for Slovenia.

The Agency for Communication Networks and Services of the Republic of Slovenia (AKOS) has informed me that there was indeed a service outage regarding ENUM delegation of +386 to Slovenia and the service is now already restored and active again.

Yours faithfully,
